Adjudicators remarks -

3 Pt. intention

Prelude

Sticky start Cts. Rather laboured. 24 good.

30 Big Hall. 37-88 not quite top & Ct. 60-61 - v

strained upwards. 65 - some sticky moments now
less rough edged 70-71. Messy close

Romance

This lacks flow. As are too short for context

23-24 nice sounds, warm. 25 not well tuned

Music needs to move more — 31. 35 - This

has become stifed in style - a pity because

there are some nice moments and effort made to

play dynamics. 47-48 tuning v. noticeable.

V. slow to close - problems of intonation but note, but
there was an obvious effort to play the pt.

Copie

And Better Lee. v. good tempo 23 per. overdue

39 - well handled 52 sticky. 62 63 not in

time. 70 - better here - good playing - well done

Lee → 85. - still goes well. 100 good.

114 good used. 119 good.

A well played last part! - Just let down by a laboured
1st part and a 2nd part that lacked flow.
