events

Second Section contest success

There is nothing like the feeling of the frosty air biting on the morning of the Area Brass Band Championships.

The band arrived early in Bedworth on the morning of this prestigious event, eagerly waiting to perform in the Second Section.

The months of preparation had all led to this moment, supported by the rehearsal day with Bob Childs and the time had come. Having only recently been promoted, SoSBB was keen to do its best performance on the day.

The band is proud to announce it was awarded 6th position out of a field of 10 Midlands based bands on the day.

Oli Wilson commented: "The higher the section, the more difficult the piece and the more difficult the competition is because the standard of bands we were competing against is greater. However, the band were awarded a

respectable 6th position and I am very proud of our achievements on the day."

The band performed Jonathan Bates' 'Ex Terra Lucem' which means 'From the Ground, Light' is the motto of the Merseyside town of St Helens, which pays homage to the rapid growth of the town during the industrial revolution.

Contact details
