Busy preparing for Wychavon!

This last few weeks the band have been busy preparing for their performance at the competition Wychavon Festival of Brass. This is an annual event that the band really enjoys attending each year. This year we are competing along with 10 other bands in the 2nd section. Last year we came 2nd in the 3rd section and have not come away without a prize in the last few years! No pressure then eh Oli! ;-) Cross your fingers and wish us luck for our first time competing as a 2nd section band! Go SOSBB! Here

we are busy at an extra contest rehearsal. Thanks to St. Batholomew's Primary school for allowing us to hire their space.

Concert Success

Thanks to all our supporters who attended the band's joint concert with Cradley Heath Male Voice Choir in September. We hope you all enjoyed the evening as much as we did! Thankyou to Philippa and the choir for their fabulous input and to Oli for bringing it all together! Look out for another exciting collaboration next year!;-)

Fond Farewell

At our Joint concert with Cradley Male Voice Choir we sadly said farewell to two of our very loyal members Nicky Kerridge and Robin Killick. It's always really sad to see members go. Working in a team as we do, brings us together and we become friends. We are very lucky to have a band of many long- standing members who respect each other. Both Nicky and Robin will be missed but I'm sure we will see them at some point in the future. Good luck in all that you do guys and thanks for all your hard work for the band! x
